(NOFO): FY 2020 International Visitor Leadership Program Collaborative Services

Announcement Type: New Cooperative Agreement

Funding Opportunity Number: SFOP0005767

Catalog of Federal Domestic Assistance Number: 19.402

Key Date/Application Deadline: July 11, 2019

Program Description/Executive Summary: The Bureau of Educational and Cultural Affairs' Office of International Visitors (ECA/PE/V) at the United States Department of State (DOS), announces an open competition for the FY 2020 International Visitor Leadership Program (IVLP) Collaborative Services. The IVLP is the U.S. Department of State's premier professional exchange program. It seeks to build mutual understanding between the United States and other nations through carefully designed short-term visits to the United States for current and emerging foreign leaders. These visits reflect the International Visitors' professional interests and support the foreign policy goals of the United States.

Applicants may submit only one proposal under this competition. If multiple proposals are received from the same applicant, all submissions will be declared ineligible and receive no further consideration in the review process.

It is the Bureau's intent to award one cooperative agreement for one base year plus two non-competitive continuations for an estimated total amount of \$1,050,000, pending the availability of funds. Please see section B.) Federal Award Information, below for additional details.

A. Program Description:

Overall grant making authority for the program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose: The International Visitor Leadership Program (IVLP) seeks to increase mutual understanding between the United States and foreign publics through carefully designed professional programs that support U.S. foreign policy objectives. The goal of the IVLP is to provide firsthand knowledge about U.S. society, culture, and politics, while cultivating lasting relationships and to help strengthen U.S. engagement with countries around the world. IVLP participants are current or potential foreign leaders in government, politics, media, education, science, non-government organizations (NGOs), the arts, and other key fields. They are selected by officers of U.S. embassies and consulates overseas and are approved by DOS staff in Washington, D.C. Since the program's inception in 1940, more than 200,000 distinguished International Visitors have participated in the program. More than 500 program alumni subsequently became heads of state or government in their home countries. All IVLP projects maintain a non-partisan character.

The IVLP requires substantive services and assistance to support its goals and objectives, to support the overall program, and to provide collaborative services that benefit all participants as described in this notice of funding opportunity. The required support will be achieved through a cooperative agreement. In a cooperative agreement, the program office (ECA/PE/V) is substantially involved in program activities above and beyond routine monitoring.

ECA/PE/V activities and responsibilities for this program are as follows:

1. ECA/PE/V will approve and provide all program funding. Therefore, the budget for this cooperative agreement should only include administrative costs to implement the required services.
2. ECA/PE/V authorizes Federalism Lectures, Home Hospitality, and Capitol Hill Insider Tours based on project demand and coordinates the use of these services with other program partners.
3. Community Relations Branch (ECA/PE/V/C/R) approves the number and timing of any Workshops and Trainings and approves all expenditures.
4. ECA/PE/V/C/R will review all requests for proposals (RFP) for hotel requirements for all special initiatives and will have final approval on selected hotels based on criteria received from the RFP and analyzed by the recipient.
5. ECA/PE/V will select all participants and will assign all "in-house" IVLP On Demand projects.

The following collaborative services will be required by the award recipient:

U.S Federalism Lectures

In order to ensure that IVLP participants have a basic understanding of the U.S. system of government, the award recipient will arrange a series of briefings on U.S. federalism. Briefings should be conducted by Washington-area university political science or government professors and other qualified experts, and the proposal should list appropriate qualifications and the names and biographies of suggested federalism briefers. In most cases, these briefings will be for participants on smaller projects and those programmed by the IVLP On Demand Division. Previous year estimates for federalism briefings included approximately 35 briefings for 144 visitors. The budget should include organization of at least one federalism briefing each week; however, the fees for the actual briefer will be authorized and paid with program funding and should not be included in the budget for this award. The award recipient should clarify the type of materials that will be provided to each participant and budget for all reproduction costs as part of this award. The proposal must include information on the availability of space to hold the weekly briefings. The award recipient should clearly detail available options for meeting rooms to accommodate the weekly federalism briefings. In general, meeting rooms should be a cost share and not included as an expense as part of this solicitation nor a project level expense. The award recipient should clearly explain their ability to expand or contract the number of briefings pending the needs of ECA/PE/V and should detail how the briefings will be marketed to ECA/PE/V and other implementing partners - national program agencies (NPAs).

Capitol Hill Insider Tours

The recipient will arrange tours through the U.S. Capitol Visitor Center and/or Congressional Offices and provide briefings to IVLP participants on the role of the U.S. Congress. The proposal must indicate how this opportunity for tours will be marketed to NPAs and to ECA/PE/V program officers to ensure that proposed targets and number of tours are arranged. The award recipient should clearly explain their ability to expand or contract the number of tours pending the needs of the ECA/PE/V. Previous year estimates for Capitol Hill insider tours included approximately 27 tours for 290 visitors.

Home Hospitality

The award recipient will provide opportunities for IVLP participants to share a meal or similar U.S. cultural experience in the homes of diverse occupational, age, gender, and ethnic groups in the Washington, D.C. metropolitan area. Some individual and group programs might include an opportunity for an overnight stay (home stay) in an American home. The proposal must indicate the proposed number of hospitality events and clarify a plan to market this opportunity to other NPAs and ECA/PE/V program officers, especially for projects in the Washington, D.C. metropolitan area over a holiday weekend. At a minimum, the administrative support to organize at least two home hospitality events each month for a minimum of 125 participants each year should be part of the budget. The proposal should also provide a suggested list of home hospitality hosts in the Washington, D.C. area and clearly identify how diversity will be

encouraged. Previous year estimates for home hospitality included approximately 30 events for 149 visitors.

Messenger Service

The award recipient will provide a daily messenger run between all D.C.-based NPA offices (currently eight locations), ECA/PE/V, the U.S. Department of State's Office of Language Services, Global Ties U.S., and Washington, D.C. - based hotels when requested for delivery of program materials for in-house IVLP On Demand projects. All fees associated with operation of the service should be included in the proposal including details on the staffing pattern and associated costs.

Trainings, Meetings, Programmatic Activities and Capacity-Building Efforts

In consultation and coordination with ECA/PE/V/C/R, the award recipient will conduct capacity-building events, including training, for members of the IVLP network to enhance their programming skills and reinforce their overall goals for the IVLP. The award recipient organization will help coordinate trainings for a minimum of two training sessions per year (for Interpreters, International Visitor Liaisons, and other individuals associated with the IVLP) to highlight resource development and programmatic activities. The budget should include staffing to allow the recipient organization to coordinate meeting room space, transportation, and appropriate meals, and should include honorarium for two-three professionals based on the needs of the activity and ECA approved honorarium rates. The award recipient should plan to administratively support the attendance of at least 50 individuals at each capacity-building activity.

Hotel Procurement for all Group Projects in Washington, DC and New York, NY and any special initiatives that open or close outside of Washington, DC and New York (approximately of six per year). The award recipient should dedicate one full-time equivalent (FTE) to continually build strong relationships and enhance hotel procurement efforts in Washington, DC and New York. The award recipient will operate a hotel pricing program in Washington, DC and New York City for the benefit of the entire IVLP that meets all federal requirements for procurement.

Responsibilities of the award recipient will include the following activities:

1. Salary for a procurement expert to negotiate group rates and sufficient lodging capacity with hotels in Washington, DC and New York City in compliance with procurement guidelines; coordinate assignment of all group projects to Washington, DC hotels (approximately 160-180 projects per year) in close consultation with ECA/PE/V/C/R; develop and maintain relationships with hotel contacts and coordinate all requests for proposals for larger special initiatives, as designated by ECA/PE/V; and review language in local hotel group contracts as appropriate. All hotel rooms and services must be negotiated at current U.S. government rates or below and approval will not be given for venues at a higher rate without justification and prior ECA/PE/V approval.

2. Provide ECA/PE/V and NPA hotel coordinators with a list of approved hotels for use in the IVLP for smaller projects.
3. Act as a liaison between hotel sales representatives and ECA/PE/V to identify and resolve issues related to hotel pricing and cancellations.
4. Provide hotel pricing analysis for ECA/PE/V as requested and establish a system of documentation, communication and review of internal and external comparative price data to assist in rate management for IVLP hotels.
5. Work with Global Ties U.S. community-based organizations (CBMs) to meet guidelines around hotel procurement for IVLP participants in their communities.

All proposed hotel sites and copies of the hotel proposals are subject to ECA/PE/V/C/R approval, and ECA/PE/V/C/R reserves the right to request renegotiation of any and all hotel agreements/services not adhering to the above conditions.

Administrative Support for IVLP Special Initiatives

The award recipient will coordinate various aspects of up to six special initiatives (larger groups that could include up to 150 participants). These administrative tasks may include, but are not limited to, coordinating venues, coordinating speakers and panels, arranging interpreting booths, coordinating meals and other refreshments, coordinating ground transportation for the groups when in the same city; contracting for appropriate audiovisual equipment and printing fees for required items (tent cards, signs, name tags); and drafting social media plans for all special initiatives.

Administrative Support for “In-House” IVLP On Demand Projects

The IVLP On Demand Division manages approximately 75-100 “in house” projects annually, in which ECA/PE/V staff manage projects directly without relying on the availability of an implementing partner. The recipient should plan to provide administrative support for all “in-house” projects. The award recipient should dedicate, on an as-needed basis, up to two full-time equivalents (FTEs) who would have primary responsibilities related to administrative support for the IVLP On Demand Division. Costs noted below as “not part of this award” will be funded through other mechanisms.

Duties should include, but are not limited to:

- Conducting opening briefings for each project related to administrative program details;
- Issuing tickets for domestic transportation (airplane and train) for participants and assigned Interpreters/International Visitor Liaisons (I/L) (funds for transportation are not part of this award);
- Issuing per diem via debit card for participants (funds for per diem are not part of this award);

- Arranging charter transportation (funds for local transportation are not part of this award);
- Enrolling participants in the Accident and Sickness Program for Exchanges (ASPE) or its replacement health plan;
- Paying project expenses and completing final budgets with funds from project-level budgets that are not part of this award;
- Processing reimbursements to Global Ties U.S. community-based members and I/Ls as required by each project;
- Pre-paying or direct billing hotels throughout the proposed itinerary for each project (funds for hotel costs are not part of this award);
- Arranging meeting space for any required project meetings (funds for meeting space are not part of this award);
- Compiling program packets based on guidance from ECA/PE/V.

The award recipient should include in the line-item budget and narrative any administrative fees associated with processing debit cards for meals and incidental expenses (M&IE) payments to IVLP On Demand participants which are managed in-house by ECA/PE/V staff members. In addition, the award recipient will share a plan on how it will issue and brief participants about the proper use of debit cards.

Therefore, proposals should demonstrate the applicant's capacity to meet all requirements governing the administration of the Exchange Visitor Programs as set forth in 22 CFR 62, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

ECA will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://j1visa.state.gov> or from:

Office of Designation, Private Sector Programs Division
U.S. Department of State
SA-4E (Bldg. 3)
2430 E Street, NW
Washington, DC 20037

Please refer to Solicitation Package for further information.

D.3i. Diversity, Freedom and Democracy Guidelines

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of political, social and cultural life in the United States and abroad. 'Diversity' should be interpreted in the broadest sense and encompass differences including race, color, national origin, sex, age, religion, geographic location, socio-economic status, disability, sexual orientation or gender identity. Proposals should demonstrate how diversity will enhance the program's goals and objectives and the participants' exchange experience. Please refer to the review criteria under the 'Support of Diversity' section of this document as well as the DIVERSITY, FREEDOM AND DEMOCRACY section in the "Proposal Submission Instructions" document for specific suggestions on incorporating diversity into the total proposal.

Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

D.3j. Program Monitoring and Evaluation

Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions).

The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this NOFO.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the NOFO (listed here in increasing order of importance):

1. **Participant satisfaction** with the program and exchange experience.
2. **Participant learning**, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. **Participant behavior**, such as concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. **Institutional changes**, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it 1) specifies intended outcomes; 2) gives clear descriptions of how each outcome will be measured; 3) identifies when particular outcomes will be measured; and 4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

D.3k. Virtual Exchange Component: ECA welcomes innovative ideas on how organizations can leverage appropriate mobile and/or online technologies to maintain engagement among exchange participants, encourage project collaboration and widen participation in the overall project to a broader audience. ECA strongly encourages organizations submitting proposals in response to this solicitation to suggest one or more virtual exchange components to complement the in-person exchange. The virtual exchange component(s) could come before, during and/or after the physical exchange. The objective for the virtual exchange component(s), defined as technology-enabled, sustainable, people-to-people, cross-cultural exchanges, is to augment the impact of the in-person exchange described in this solicitation. ECA encourages organizations to propose virtual exchange ideas that take advantage of ECA's existing web and social networking platforms, including our [International Exchange Alumni](#) space. Virtual exchange components would be coordinated with and approved by the ECA program office and U.S. missions abroad on a project by project basis.

D.3l. Communications Guidance for ECA Grant Recipients: All ECA Grant Recipients must adhere to the requirements in [ECA's Communications Guidance](#) on the creation of program branding and attribution, websites, social media, and press.

D.3m. Please take the following information into consideration when preparing your budget:

D.3n. Applicants must submit SF-424A – “Budget Information – Non-Construction Programs” along with a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

For competitions that will be renewed through a Non-Competitive Continuation applicants must submit:

1. The SF-424A which must include the budget request amount for the base-year of the program;
2. A detailed proposal narrative and budget for the base year of funding (Please refer to the Proposal Submission Instruction Document (PSI) for general budget guidance.). The narrative should also include a brief commitment to implement the program for the base year, plus two additional non-competitive continuation years, pending successful program performance and availability of funds; and
3. An abbreviated/estimated summary budget presenting the total projected administrative and program costs for the anticipated total duration of programming (base year, plus two non-competitive continuation years).

To exercise the Non-Competitive Continuation mechanism the recipient will be required to submit:

1. Timely quarterly performance and financial reports.
2. A request in writing to ECA at least 90 days in advance of the expiration of the current program year.
3. A summary budget that projects program expenses through the end of the current year.
4. A detailed budget outlining both administrative and program expenses for the requested non-competitive continuation year; and a brief narrative to support the continuation of the award.

The ECA Grants Officer and Program Officer will:

1. Closely monitor the recipient's performance through site visits, desk audits, mandatory quarterly performance and financial reports, consultations, and other forms of communication and dialogue before exercising additional non-competitive continuations. (Additional details regarding monitoring and oversight of the program by ECA representatives will be provided at the time the base-year award is made.)
2. Review and evaluate all mandatory quarterly program and financial reports;
 - i. All program and financial reporting requirements must be current and up-to-date before the Bureau will exercise additional non-competitive continuations.
 - ii. Any/all concerns, issues, or modifications requested by the Grants Officer or Program Officer to the original program design or method of implementation must be responded to in writing.
 - iii. The ECA Grants Officer and Program Officer will review and advise of ECA's approval or disapproval of the response before issuing subsequent non-competitive continuations.
3. Prior Grants Officer approval is required to carry forward an unobligated balance from a prior funding period to the subsequent funding period. If the Grants Officer determines that some or all of the unobligated funds are not necessary to perform the program activity, the Grants Officer may decline the Recipient's request to carry forward the unobligated balance.

The Grants Officer may, at their discretion, use the unobligated balance to reduce or offset future funding for a subsequent funding period. An unobligated balance at the end of a funding period is not sufficient justification to carry forward funds. A final determination and approval to carry forward any funds will be communicated via a cost amendment with adjustment, if any, to new obligation amounts.

The request to carry forward an unobligated balance must include:

- i. A brief narrative why funds remain unobligated and how the unobligated funds will be used to complete the previously approved goals and objectives of the program; and,
- ii. A detailed budget that reflects the amount of unobligated funds to date, and anticipated expenditures in the subsequent period of performance for all cost categories under the authorized budget.

D.3o. Allowable costs for the program include the following:

1. Staff Salaries and Benefits;
2. Office and Program Supplies;
3. Telephone and Communications;
4. Staff Travel and Per Diem;
5. Automatic Data Processing Equipment Maintenance and IT Costs;
6. Indirect Costs.
7. Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

D.3p. Application Deadline and Method of Submission:

Application Deadline Date: Thursday, July 11, 2019

Method of Submission: Applications may only be submitted electronically through Grants.gov (<http://www.grants.gov>). Complete solicitation packages are available at Grants.gov in the “Search Grants” portion of the system.

D.3q. Grants.gov Registration, Application Submission, and Receipt Procedures Eligible organizations should follow the instructions available in the ‘Get Started’ portion of the site (<http://www.grants.gov/web/grants/applicants/apply-for-grants.html>).

How to Register to Apply through Grants.gov

Applicants should read instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

The registration process can take up to four weeks to complete. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required application submission deadlines. Applicants should check with appropriate staff within their organizations immediately after reviewing this NOFO to confirm or determine their registration status with Grants.gov. Organization applicants can find complete instructions here:

<https://www.grants.gov/web/grants/applicants/organization-registration.html>

Timely Receipt Requirements and Proof of Timely Submission

Applicants have until midnight (12:00 a.m.), Washington, DC time of the closing date to ensure that their entire application has been uploaded to the Grants.gov site. There are no exceptions to the above deadline. Applications uploaded to the site after midnight of the application deadline date will be automatically rejected by the Grants.gov system, and will be technically ineligible.

Therefore, we strongly recommend that you not wait until the application deadline to begin the submission process through Grants.gov.

Proof of timely submission is automatically recorded by Grants.gov. An electronic date/time stamp is generated within the system when the application is successfully received by Grants.gov. The applicant Authorized Organization Representative (AOR) will receive an acknowledgement of receipt and a tracking number (GRANTXXXXXXXX) from Grants.gov with the successful transmission of their application. Applicant AORs will also receive the official date/time stamp and Grants.gov Tracking number in an email serving as proof of their timely submission.

When ECA successfully retrieves the application from Grants.gov, Grants.gov will provide an electronic acknowledgement of receipt of the application to the email address of the applicant with the AOR role. Again, proof of timely submission shall be the official date and time that Grants.gov receives your application. Please also be mindful of any Grants.gov generated error messages that may appear during the application process as they may result in some documents not transmitting correctly.

Applicants using slow internet, such as dial-up connections, should be aware that transmission can take some time before Grants.gov receives your application. Grants.gov will provide either an error or a successfully received transmission in the form of an email sent to the applicant with the AOR role. The Grants.gov Support Center reports that some applicants end the transmission because they think that nothing is occurring during the transmission process. Please be patient and give the system time to process the application.

The Grants.gov website includes extensive information on all phases/aspects of the Grants.gov process, including an extensive section on frequently asked questions, located under the "Applicant FAQs" section of the website. ECA strongly recommends that all potential applicants review thoroughly the Grants.gov website, well in advance of submitting a proposal through the Grants.gov system. ECA will not notify you upon receipt of electronic applications.

PLEASE NOTE: ECA bears no responsibility for applicant timeliness of submission or data errors resulting from transmission or conversion processes for proposals submitted via Grants.gov. Prior to submitting applications through Grants.gov, please ensure you meet all Grants.gov system and software requirements, including Adobe software compatibility. You can verify if your version of Adobe software is compatible with Grants.gov, by visiting <https://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.

It is the responsibility of all applicants submitting proposals via the Grants.gov web portal to ensure that proposals have been received by Grants.gov in their entirety, and ECA bears no responsibility for data errors resulting from transmission or conversion processes.

D.3r. Intergovernmental Review of Applications: Executive Order 12372 does not apply to this program.

E. APPLICATION REVIEW INFORMATION

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas and State Department regional bureaus, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. All awards will be assessed for risk prior to their issuance. Final funding decisions are at the discretion of the U.S. Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance awards resides with the Bureau's Grants Officer.

E.1. REVIEW CRITERIA

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

1. **Program planning:** Detailed agenda and relevant work plan should demonstrate substantive undertakings and logistical capacity. Agenda and plan should adhere to the program overview and guidelines described above.

2. **Ability to achieve program objectives:** Objectives should be reasonable, feasible, and flexible. Proposals should clearly demonstrate how the institution will meet the program's objectives and plan
3. **Support of Diversity:** Proposals should show substantive support of the Bureau's policy on diversity. Proposals should demonstrate how diversity will be achieved in the different aspects of program administration and of program design, content and implementation, including individual grantee/participant recruitment, selection and placement. It is important that proposals have a clearly articulated diversity plan and not simply express general support for the concept of diversity.
4. **Institutional Capacity:** Proposed personnel and institutional resources should be adequate and appropriate to achieve the program or project's goals. In addition to Letters of Endorsement, DOS will also use past performance as an indicator of an applicant's ability to successfully perform the work. A separate and clearly labeled attachment of the proposal must contain any letters of endorsement and between three and five references who may be called upon to discuss recently completed or ongoing work performed for professional exchange programs (which may include the IVLP).
5. **Institution's Record/Ability:** Proposals should demonstrate an institutional record of successful exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past Bureau awards (grants or cooperative agreements) as determined by Bureau Grants Staff. The Bureau will consider the past performance of prior recipients and the demonstrated potential of new applicants.
6. **Project Evaluation:** Proposals should include a plan to evaluate the activity's success, both as the activities unfold and at the end of the program. The Bureau recommends that the proposal include a draft survey questionnaire or other technique plus description of a methodology to use to link outcomes to original project objectives. Award-receiving organizations/institutions will be expected to submit intermediate reports after each project component is concluded or quarterly, whichever is less frequent.
7. **Cost-effectiveness/Cost-sharing:** The overhead and administrative components of the proposal, including salaries and honoraria, should be kept as low as possible. All other items should be necessary and appropriate. Proposals should maximize cost-sharing through other private sector support as well as institutional direct funding contributions.

F.) Federal Award Administration Information

F.1. Award Notices:

Final awards cannot be made until funds have been appropriated by Congress, allocated and committed through internal Bureau procedures. Successful applicants will receive a Federal Assistance Award (FAA) from the Bureau's Grants Office. The FAA and the original proposal with subsequent modifications (if applicable) shall be the only binding authorizing document between the recipient and the U.S. Government. The FAA will be signed by an authorized Grants Officer, and transmitted to the recipient's responsible officer identified in the application.

Unsuccessful applicants will receive notification of the results of the application review from the ECA program office coordinating this competition.

The following additional requirements apply to this project:

The U.S. Government is opposed to prostitution and related activities, which are inherently harmful and dehumanizing, and contribute to the phenomenon of trafficking in persons. None of the funds made available under this agreement may be used to promote, support, or advocate the legalization or practice of prostitution. Nothing in the preceding sentence shall be construed to preclude assistance designed to ameliorate the suffering of, or health risks to, victims while they are being trafficked or after they are out of the situation that resulted from such victims being trafficked.

The recipient shall insert the foregoing provision in all sub-agreements under this award.

This provision includes express terms and conditions of the agreement and any violation of it shall be grounds for unilateral termination of the agreement by the Department of State prior to the end of its term.

All awards made under this competition must be executed according to all relevant U.S. laws and policies regarding assistance to the Palestinian Authority, and to the West Bank and Gaza. Organizations must consult with relevant Public Affairs Offices before entering into any formal arrangements or agreements with Palestinian organizations or institutions.

Note: To assure that planning for the inclusion of the Palestinian Authority complies with requirements, please contact Tom Rathburn at RathburnTG@state.gov or Gail Curtis at CurtisGA@state.gov for additional information.

F.2 Administrative and National Policy Requirements:

Terms and Conditions for the Administration of ECA agreements include the following: Office of Management and Budget's (OMB's) Guidance 2 CFR Parts 200 and 600, entitled the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Effective December 26, 2014, replacing the previous circulars).

For a copy of the OMB Guidance cited, please contact the U.S. Government Publishing Office or download from the www.ecfr.gov website.

Please reference the following websites for additional information:

<http://www.whitehouse.gov/omb/grants>
<http://www.state.gov/m/a/ope/index.htm>

F.3. Reporting Requirements: You must provide ECA with an electronic copy of the following required reports:

Mandatory:

- i. Additional performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. (Frequency of these reports will be determined by the Grants Officer and Program Officer). The complete report and supporting documentation must be uploaded by the Recipient as a *Post Award Activity* under the corresponding record for this Cooperative Agreement in the U.S. Department of State's SAMS Domestic. SAMS Domestic is the U.S. Department of State's grants management system and is supported by the Department's Integrated Logistics Management System (ILMS). For assistance, please contact the U.S. Department of State's ILMS Help Desk at 1-888-313-4567 (toll free for US callers) or through the U.S. Department of State's ILMS Self Service Portal at <https://afsitsm.service-now.com/ilms/home>. The Federal Financial Report (FFR SF-425/SF-425a) must be submitted through the Payment Management System (PMS). The electronic version of the FFR can be accessed at: <http://www.dpm.psc.gov/>. Once a financial report has been approved by the Department, the Recipient must upload the approved report to SAMS Domestic, in the same manner specified for the programmatic reports. Failure to comply with these reporting requirements may jeopardize the Recipient's eligibility for future Cooperative Agreements/Grants. In the event you are having difficulty uploading reports and the ILMS help desk is not providing sufficient assistance, please email ECA_SAMSDomestic@state.gov.
- ii. A final program and financial report no more than 90 days after the expiration or termination of the award;
- iii. A concise, one-page final program report summarizing program outcomes no more than 90 days after the expiration of the award. This report should be e-mailed to: FFATAECA@state.gov. This one-page report will be transmitted to OMB, and be made available to the public via OMB's USAspending.gov website - as part of ECA's Federal Funding Accountability and Transparency Act (FFATA) reporting requirements.
- iv. Because the Competition will allow for the exercise of Non-Competitive Continuations (NCC), applicants must be placed on quarterly or semi-annual program and financial reporting cycle. The due dates for these reports will be included in the final assistance award document. The program and financial reports must demonstrate substantial progress by addressing progress towards the original approved goals and objectives, relative activities and events, and supporting fiscal data. The reports will be reviewed by both the assigned Grant Officer and Program Officer.
- v. Quarterly Program Reports are due within thirty (30) days following the end of each fiscal year quarter on the status of the development or implementation of key

- activities and initiatives during the quarter. These reports must be submitted through SAMS Domestic as a Post Award Activity under the corresponding record for the Cooperative Agreement with a copy to IVLPgrants@state.gov. For visitor services, reports must include the number of International Visitors benefiting from the program and services, including a statistical grid identifying the activity and a tally of the number of IVs from other national program agencies. For all services, a matrix-style report should be submitted recording usage by national program agencies, including the number of visitors served and listing the participants. For federalism lectures, a similar report identifying not only the national program agencies, but the identity of each lecturer/speaker, should be uploaded into SAMS Domestic as a Post Award Activity under the corresponding record for the Cooperative Agreement with a copy to IVLPgrants@state.gov by the 15th of each month.
- vi. For In-House IVLP On Demand Support, the award recipient must provide ECA/PE/V/C/R with **Quarterly Projected Expenditure Reports**. The award recipient is required to use the most recent version of the ECA Quarterly Projection Spreadsheet. The projection sheet is due by the 15th day of the 3rd month of each quarter. The report should indicate projections for the next quarter in the following categories: IVLP on Demand group project enhancement expenses and IVLP Division special initiative group project enhancement expenses; Interpreter/ Liaison expenses; and any Reasonable Accommodation Charges. **Travel Manager Company (TMC):** IVLP On Demand participants domestic air travel; Interpreter/Liaison domestic air travel. **Number of Participants:** IVLP On Demand participants and number of Interpreters/Liaisons. The report should be sent to IVLPgrants@state.gov.
 - vii. Award recipient will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. (Please refer to D.3j. Program Monitoring and Evaluation information.)
 - viii. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

F.4. Program Data Requirements:

Award recipients will be required to maintain specific data on program participants and activities in an electronically accessible database format that can be shared with the Bureau as required. At a minimum, the data must include the following:

- i. Name, address, contact information and biographic sketch of all persons who travel internationally on funds provided by the agreement or who benefit from the award funding but do not travel.
- ii. Itineraries of international and domestic travel, providing dates of travel and cities in which any exchange experiences take place. Final schedules for in-country and

U.S. activities must be received by the ECA Program Officer at least three work days prior to the official opening of the activity.
